Mary Martin, Co-founder

“Daryl Martin, director of Renovation” is the signature at the bottom of the email communications with a current business client.

I have been assisting Daryl on this job and I'm noticing some interesting correlations between the physical and spiritual worlds. The similarities between following directives of Daryl and obeying the voice of the master carpenter, Jesus.

First is the removal of the old; then you're ready to build the new. Things are removed in steps and things are built in steps, first this, then that. The carpenter feels proud when I am able to recognize which step is next and prepare the tools needed. The carpenter feels proud when I listen carefully to instructions, go to a certain location, and return with the needed item. So Jesus is also glorified when I carry out his leadings.

*But whoever looks intently into the perfect law that gives freedom, and continues in it—not forgetting what they have heard, but doing it—they will be blessed in what they do. James 1:25* 🍷

### The Gift of Bibles in Cebuano

by Nelson Malaque

I am leading a discipleship with the parents of the children in our community outreach. They are eager to learn. It is my joy to share with you how the Lord works in their hearts as they experience growth and change. I am excited about what God is going to do this coming year. It seems like they are all hungry and excited as we meet. I'm looking forward that one day this group of parents will grow in their relationship with God. It is through God that there is community transformation.

It's my heart's desire to give a Cebuano Bible to all of them so that they can also read their own and follow me during Bible study. 🍷

The Second Tunic has  
provided 60 Cebuano Bibles  
for this group of parents.

*Nelson & Lucy Malaque are  
supported by The Second Tunic  
and serve in Butuan, Philippines*

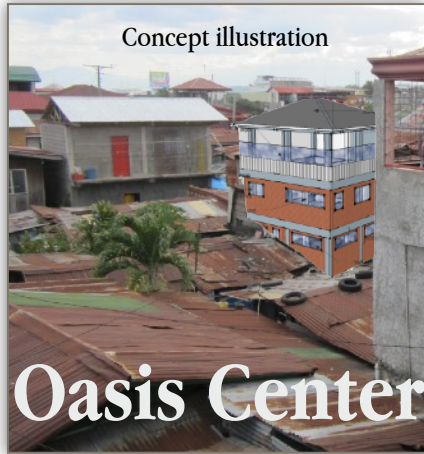

## Christmas Blessing

This year we again want to give you the opportunity to bless those who are serving with The Second Tunic by providing a special Christmas gift. This is an expression of gratitude for their service in sharing of the greatest gift ever given, the gift of Emmanuel, God with us. This gift will be divided among all 25 people supported by The Second Tunic. Please mark your donation toward this blessing as “Christmas Blessing”. Thanks in advance for your gift. 🍷

## Oasis and Purpose

### The Beginning of God's Purpose for Me

by Miriam Dignos

Congratulations to Miriam Dignos, who has graduated with a bachelor of library science after four years of university. She has been sponsored for the last 10 years by Oasis. She works so hard, studying full time as well as doing night shift work to support her family. Yet she still manages to excel in her studies, her faith, and as a youth leader and kids ministry leader.

*For I know the plans I have for you, declares the LORD, plans to prosper you and not to harm you,*

*plans to give you hope and a future. Jeremiah 29:11* "This verse is my inspiration even in the last days of my college years. I underwent so many struggles and it sometimes broke me into pieces. I never lose hope because I'm holding onto God's promises, the guidance, advice and prayers of the Oasis board and staff, church friends, as well as my family. I know that it will not be the end, it is just the beginning of God's purposes for me in my life. Now I'm applying for a job. It's God's favor that I was recommended, and I have an interview for a position as a librarian. To God be the glory!" 🍀

### Still We Can Eat Three Times a Day

by Evangeline Silpa

I am Thankful to God!

I'm Mrs. Evangeline Silpa, a mother of five children, and housewife. My husband is a construction worker. I'm happy though life is very hard; still we can eat three times a day. I'm thankful to God for providing our daily needs, especially for Janine Silpa my third child. She is sponsored by Oasis Family

Ministries who support her school needs. She has been sponsored since Grade 2; she is now in Grade 6. Oasis Family is a big help to our community; they see the needy family, Its has been an instrument and a tool so that our children can go to school. 🍀
