

Renewed Passion

Daryl Martin, Director

CELEBRATING
10 YEARS

Our recent trip to Thailand gave me even greater passion to continue supporting indigenous workers as we watched Alu minister among the Shan people with gentleness and respect. He knows the language and culture. We support him so he can be more effective by devoting himself to ministry full time. I believe this model allows for a greater impact in the community than if we were serving there ourselves.

Recently our board implemented an initiative to increase our commitment to the communities of those we support. We will provide greater assistance with projects which enhance community transformation. Your generous support allows us to expand in this way. ❤️

We support 36 people serving in seven countries.

For each donated dollar, 95 cents goes directly into missions.

We give God the glory!

Three Couples, One Kingdom

God at Work Among the Shan People

by Daryl Martin

Alu & Gigi and their son Karsten serve in Fang, in northern Thailand. They are supported by The Second Tunic. Their ministry is primarily to the Shan people group in Thailand and Myanmar. The Shan have been marginalized for many years, but they are open to the Gospel of Jesus Christ. Many are laborers on the farms surrounding Fang. Three main focuses of their ministry are discipleship, evangelism, and education. In addition to pastoring a church, Alu facilitates the discipleship training school, leads teams on outreach to Shan villages, and does community outreach. Gigi focuses on education, teaching an ACE school, and evangelism and visitation. We see God at work in and through them as more of the Shan come to know Christ and grow in their relationship with the Lord.

Sai Khon and Nana have been married for several months. They are part of the discipleship school and are being transformed from glory to glory as they seek to be more like Christ. Before they were married, Sai Khon taught literature at a migrant workers' camp. Nana worked in community development. She is very influential in the community through teaching, working with the youth and adults. God continues his work in their lives and will use them mightily. They are expecting their first child.

Aung Myo & Nan Ngam chose to make Jesus Lord of their lives the Sunday we were in Fang. Aung Myo had a motorcycle accident and seriously damaged and broke his leg. The doctors expected it would be up to three more years until he could work again. They prayed for his healing and the doctors are amazed how rapidly the leg is healing. He is already able to be back at work. After the prayer of accepting Jesus Nan asked for a scissors to cut the charm off her arm, thus breaking the power of Satan in that area of her life. 🍷
